

# Time to shop for the best energy deals!

Who do I contact?

What questions do I ask?

What exactly is "green" energy?

Do I actually understand my utility bill?

**Do I really have time to figure this out?**

electricity  
natural gas  
"green" energy

**Let Electric Advisors find the best energy deals for you.**

## **We Work for You, Not The Suppliers.**

Some energy suppliers have their own sales force. Electric Advisors is a licensed broker that works with many energy suppliers allowing us to "shop" for the best rates and fixed contracts. There is no charge for us to negotiate on your behalf.

## **The EA Advantage**

**Simple Process.** You will need to sign a Letter of Authorization allowing us to access your energy information for analysis. We will also need copies of your most recent utility bills. It's that simple.

**Apples-to-Apples Comparisons.** Our quotes are an apples-to-apple comparison with your current energy rates. We will show you on your utility bill exactly how we can help your business.

**No Hidden Fees.** There are no hidden fees or costs. As a broker, Electric Advisors is paid a small commission directly from the energy suppliers.

**Quick Turnaround.** It doesn't take weeks to find the best energy options available to you. In some cases, Electric Advisors is able to provide answers the same day.

**Hours to Fit Your Schedule.** Life isn't 9 to 5, so we are available after hours and on weekends.

**Our Service Doesn't End Once You Sign.** Unlike some energy brokers, we create a true business relationship with you after you change suppliers. We will remind you when your contract is about to expire. If rates drop substantially, we'll let you know so you can benefit.

**Lets us provide you with a no-cost, no-obligation energy analysis.**

We will analyze your energy consumption and shop our supplier network. You will receive an easy-to-understand comparison to your current supplier, so you can **start managing your energy bills today.**

Electric Advisors, Inc. • 7700 Old Georgetown Road, Suite 550 • Bethesda, MD 20814
